18h00 – 20h00

Profiling for Facilitators

Presented by Stephanie Armangau

Stephanie will share with us the best “must have” information she has selected from her 5-year experience being taught by experts in human behaviours. She will introduce us to the best practice that she has applied to business-real-life, and will share the most successful part of her unique Profiling programme, which can be applied to every-day relationships.

- ✓ Learn **HOW** you can instantly do the Profile of individuals within a group based on their reactions
- ✓ Understand the **WHY** of each behaviour rule and how to respond to it
- ✓ Learn **WHAT** it looks like – the verbal and non-verbal texture of each main behaviour and to anticipate future reactions

This session supports the development of the following IAF Competencies:

- ✓ Create Collaborative Client Relationships
- ✓ Plan Appropriate Group Processes
- ✓ Create and Sustain a Participatory Environment
- ✓ Guide Group to Appropriate and Useful Outcomes

Stephanie Armangau is a Professional Human Behaviour Analyst, certified in psycholinguistic programming, body language reading, language & behaviour profiling and neurocognitivism rules. Stephanie has implemented a relationship forecasting approach that incorporates a validated, normative assessment tool that predicts people performance and helps business professionals select high performing team managers based on a customised, predictive selection system
